Vi opus aliquod edere constituunt, duabus potissimum causis principibus viris illud dicare consueuerunt, altera vt ex eorum nominū amplitudine splendorem, altera vt illi tutelam mutuentur, iisdem ego causis adductus operis huius frontem præclara tui nominis præscriptione hominum oculis spectandā subycio, nam vtrūque, dum tibi, Illustrissime Antistes, has sacras nuncupo cantiones, me affecuturum certo scio. Quis enim opusculum hoc magis honestare, magis ve tueri potest, quam tu? qui præter generis nobilitatem, ac familiæ tuæ splendorem, quæ inter antiquissimas, ac nobilissimas totius Europæ recensetur, proprijs virtutibus innitens, pares mehercule paucos, superiorem habes profectò neminem. Spectata Patauij tua virtus fuit, dum ibi illius Ecclesiæ Canonicus degeres, Romæ postea probata, dum te sumus Pontifex Sixtus Quintus Episcopali dignitate decorauit, & tandem summis ad Cælum laudibus sublata, dum à Clemēte Octauo Pontifice Maximo legatus ad Heluetios missus per ānos ūdecim eo munere, apud gentem illam, maxima omnium cum admiratione perfunctus fuisti. Hæc ipsa maiores tibi dignitates pollicetur, quas meritis iam dudū præuenisti; Nec mirū tū enim Michaelis Turriani patrui tui Cardinalis, omni virtutum genere cumulatissimi, vestigijs insistens, illa te dignum purpura prebes, cui non minus attulit ipse quam ab ea cæperit ornamentum. Sospitet te Deus, ac lōgeum seruet, vt spem istam, quam de tuis in Sanctam sedem Apostolicam meritis, omnes merito conceperunt, tandem aliquando confirmet euentus; Licet mihi exploratum sit, te recte factorum non ab hominibus, sed à Deo tantum fructum expectare, qui maximos labores, pro sanctissimi sui nominis gloria à te susceptos cælestium præmiorum largitione compensabit. Reliquum est, vir præclarissime, vt benignitatem tuam, quæ inter eximias alias animi tui dotes, omnium amorem, ac obseruantiam tibi conciliat, etiam atque etiam rogem, munus hoc hilari excipiat fronte; hac enim fretus, illud tibi, licet sit perexiguum, offerre non dubitavi, & te æqui bonique consulturum mihi persuadeo Vale.
